

SAVE OUR SUPERINTENDENT!

Wednesday April 25, 2012, 6:00pm
Perth Amboy Adult School, 178 Barrack Street in Perth Amboy

TO THE PARENTS AND CITIZENS OF PERTH AMBOY:

- ✓ Stand Up for our Children.
- ✓ Stop Political Interference in Perth Amboy Schools.
- ✓ Tell THE SCHOOL BOARD to keep DR. JANINE CAFFREY AS OUR SUPERINTENDENT.

Dr. Caffrey has been a true leader for Perth Amboy public schools. She has been unafraid to challenge the status quo and reform the system to improve the quality of education. She has spoken out about the need to remove ineffective teachers and worked to keep politics out of classroom decisions.

But some members of the Perth Amboy school board don't like that approach. They think our schools are here to provide jobs for their friends, not educate children.

Dr. Caffrey stood up to them...AND NOW THEY WANT TO FIRE HER!

Dr. Caffrey has always put the interests of kids first and now, because she put our kids' education first, the school board wants to fire her.

SPEAK OUT! TELL THE SCHOOL BOARD
